RE: LIQUOR LICENSE APPLICATION – SERIES 12- FOR “Roux 66”

On March 31, 2016, I initiated an investigation into an application for a series 12 (restaurant) liquor license filed by Jamie William Thousand. Jamie William Thousand is the owner of a new catering site/restaurant called Roux 66. Jamie Thousand is the only listed applicant and will run the day to day operations. The restaurant will be located at 2620 N. Steves Blvd in Flagstaff. This application is for a series 12 license (restaurant) #12033396.

I conducted a query through local systems and public access on Jamie William Thousand. No derogatory records were found. Jamie William Thousand has attended the mandatory liquor law training course and provided proof. Jamie is the current owner of Satchmo's located at 2320 N. 4th Street in Flagstaff. No liquor violations could be located for Jamie.

I spoke with Jamie William Thousand who stated that he has never received any liquor law violations. Jamie said the business will be what he called a “catering site” and a restaurant by reservation for special events and overflow from Satchmo's. Jamie stated that this new location will allow him to run a restaurant out of Satchmo's and his catering business out of Roux 66. Jamie has no plans to operate as a bar or a nightclub after hours. Jamie said the renovations are ongoing but hopes to open soon.

As a result of this investigation the recommendation to Council is for approval of the series 12 license.
